§ 138.150 Service of process.

(a) When executing the forms required by this part, each applicant and guarantor shall designate thereon a person located in the United States as its agent for service of process for purposes of this part and for receipt of notices of designations and presentations of claims under the Acts (collectively referred to as "service of process"). Each designated agent shall acknowledge the designation in writing unless

the agent has already furnished the Director, NPFC, with a "master" (i.e., blanket) concurrence showing that it has agreed in advance to act as the United States agent for service of process for the applicant, certificant, or guarantor in question.

(b) If any applicant, certificant, or guarantor desires, for any reason, to change any designated agent, the applicant, certificant, or guarantor shall notify the Director, NPFC, of the change and furnish the relevant information, including the new agent's acknowledgment in accordance with paragraph (a) of this section, if a "master" concurrence is not applicable. In the event of death, disability, or unavailability of a designated agent, the applicant, certificant, or guarantor shall designate another agent in accordance with paragraph (a) of this section within 10 days of knowledge of any such event. The applicant, certificant, or guarantor shall submit the new designation to the Director, NPFC. The Director, NPFC, may revoke a certificate if an applicant, certificant, or guarantor fails to designate and maintain an agent for service of process.

(c) If a designated agent can not be served because of death, disability, unavailability, or similar event and another agent has not been designated under this section, then service of process on the Director, NPFC, will constitute valid service of process. Service of process on the Director, NPFC, will not be effective unless the server—

(1) Sends the applicant, certificant, or guarantor (by registered mail, at its last known address on file with the Director, NPFC), a copy of each document served on the Director, NPFC; and

(2) Attests to this registered mailing, at the time process is served upon the Director, NPFC, indicating that the intent of the mailing is to effect service of process on the applicant, certificant, or guarantor and that service on the designated agent is not possible, stating the reason why.

APPENDIX B TO PART 138—INSURANCE GUARANTY FORM

Insurance Co. Form No. _____

DEPARTMENT OF TRANSPORTATION
U.S. COAST GUARD
CG-5586

INSURANCE GUARANTY FURNISHED AS EVIDENCE OF FINANCIAL
RESPONSIBILITY UNDER THE OIL POLLUTION ACT OF 1990 AND THE
COMPREHENSIVE ENVIRONMENTAL RESPONSE, COMPENSATION, AND
LIABILITY ACT, AS AMENDED

The undersigned insurer or insurers ("Insurer") hereby certifies that for purposes of complying with the financial responsibility provisions of the Oil Pollution Act of 1990 ("OPA 90") and the Comprehensive Environmental Response, Compensation, and Liability Act, as amended ("CERCLA"), (referred to collectively as the "Acts"), the vessel owners, operators, and demise charterers ("Assured" or "Assurees") of each respective vessel named in the schedules below ("covered vessel") are insured by it against liability for costs and damages to which the Assureds may be subject under either section 1002 of OPA 90, as limited by section 1004(a), or section 107(a)(1) of CERCLA, as limited by sections 107(c)(1)(A) and (B), or both, in an amount equal to the total applicable amount determined in accordance with the Applicable Amount Table below, respecting each covered vessel.

The amount and scope of insurance coverage hereby provided by the Insurer is not conditioned or dependent in any way upon any contract, agreement, or understanding between an Assured and the Insurer. Coverage hereunder is for purposes of evidencing financial responsibility under each of the Acts, separately, at the levels in effect at the time of the incident(s), release(s) or threatened release(s) giving rise to claims.

(Name of Agent)

is designated as the Insurer's agent in the United States for service of process for the purposes of this guaranty and for receipt of notices of designation and presentations of claims under the Acts. If the designated agent cannot be served due to death, disability, or unavailability, the Director, Coast Guard National Pollution Funds Center ("Center"), is the agent for these purposes.

The Insurer consents to be sued directly with respect to any claim, including any claim by right of subrogation, for costs and damages arising under section 1002 of OPA 90, as limited by section 1004(a), or section 107(a)(1) of CERCLA, as limited by sections 107(c)(1)(A) and (B), or both, against any Assured. However, in any direct action under OPA 90 the Insurer's liability per vessel per incident shall not exceed the amount determined under part I of the Applicable Amount Table below and, in any direct action under CERCLA,

the Insurer's liability per vessel per release or threatened release shall not exceed the amount determined under part II of the Applicable Amount Table below. The Insurer's obligation hereunder with respect to any one incident or release or threatened release shall be reduced by all payments or succession of payments for costs and damages, to one or more claimants, made by or on behalf of the Assured under OPA 90 or CERCLA or both, as applicable, for which the Assured is liable. The Insurer shall be entitled to invoke only the following rights and defenses in any direct action:

- (1) The incident, release, or threatened release was caused by the willful misconduct of the Assured.
- (2) Any defense that the Assured may raise under the Acts.
- (3) A defense relating to the amount of a claim or claims, filed in any action in any court or other proceeding, that exceeds the amount of this guaranty with respect to an incident or with respect to a release or threatened release.
- (4) A defense relating to the amount of a claim or claims that exceeds the amount of this guaranty, which amount is based on the gross tonnage of a covered vessel as entered on the vessel's International Tonnage Certificate or other official, applicable certificate of measurement, except where the guarantor knew or should have known that the applicable tonnage certificate was incorrect.
- (5) The claim is not one made under either of the Acts.

No more than four Insurers (including lead underwriters) may execute this guaranty. If more than one Insurer executes this guaranty, each Insurer binds itself jointly and severally for the purpose of allowing joint action or actions against any or all of the Insurers, and for all other purposes each Insurer is bound for the payment of sums only in accordance with the percentage of participation set forth opposite the name of the Insurer below. If no percentage of participation is indicated for an Insurer or Insurers, the liability of such Insurer or Insurers shall be joint and several for the total of the unspecified portions.

(Name of lead guarantor)

is designated as the lead guarantor having authority to bind all guarantors for actions of guarantors under the Acts, including but not limited to receipt of designation of source, advertisement of a designation, and receipt and settlement of claims (inapplicable if only one Insurer executes this guaranty).

The insurance evidenced by this guaranty shall be applicable only in relation to each incident, release, and threatened release occurring on or after the effective date and before the termination date of this guaranty and shall be applicable only in relation to each incident, release and threatened release giving rise to claims

under section 1002 of OPA 90 or section 107(a)(1) of CERCLA, or both, with respect to any of the covered vessels.

The effective date of this guaranty for each covered vessel is the date the vessel is named in or added to the schedules below. For each covered vessel, the termination date of this guaranty is 30 days after the date of receipt by the Center of written notice that the Insurer has elected to terminate the insurance evidenced by this guaranty and has so notified the vessel operator identified on the schedule below.

Termination of this guaranty as to any covered vessel shall not affect the liability of the Insurer in connection with an incident, release, or threatened release occurring prior to the date the termination becomes effective.

If, during the currency of this guaranty, an Assured requests that an additional vessel be made subject to this guaranty and if the Insurer accedes to that request and so notifies the Center, then that vessel is considered included in the schedules below as a covered vessel.

Title 33 CFR part 138 governs this guaranty.

"Principal" includes, in addition to the vessel operator, the owner and demise charterer of each vessel covered by this guaranty ("covered vessel").

The Principal has elected to file with the Director, Coast Guard National Pollution Funds Center ("Center") this surety bond guaranty as evidence of financial responsibility to obtain from the Coast Guard a Certificate, or Certificates, of Financial Responsibility (Water Pollution) under 33 CFR part 138, to meet any liability for costs and damages incurred in connection with a covered vessel under section 1002 of OPA 90, as limited by section 1004(a), or section 107(a)(1) of CERCLA, as limited by sections 107(c)(1)(A) and (B), or both.

The Surety agrees that the penal sum of this surety bond guaranty shall be available to pay to the United States of America or other claimants under the Acts any sum or sums for which the Principal may be held liable under the Acts. The penal sum shall be the total applicable amount, determined in accordance with the Applicable Amount Table below, for which payment we, the undersigned, bind ourselves and our heirs, executors, administrators, successors and assigns, jointly and severally.

No more than four Sureties (including lead Sureties) may execute this guaranty. If there is more than one surety company executing this guaranty, we, the Sureties, bind ourselves in the penal sum jointly and severally for the purpose of allowing a joint action or actions against any or all of us, and for all

joint action or actions against any or all of us, and for all other purposes each Surety binds itself, jointly and severally with the Principal, for the payment of the percentage of the penal sum only as is set forth opposite the name of each Surety.

If no percentage is indicated for a Surety or Sureties, the liability of such Surety or Sureties shall be joint and several for the total of the unspecified portions.

(Name of lead guarantor)

is designated as the lead guarantor having authority to bind all guarantors for actions of guarantors under the Acts, including but not limited to receipt of designation of source, advertisement of a designation, and receipt and settlement of claims (inapplicable if only one Surety executes this guaranty).

Principal and the Surety or Sureties agree that if all or a portion of the penal sum is paid, the penal sum is considered reinstated to its full amount until 30 days after receipt from the Surety of written notice to the Director, NPFC, that the penal sum has not been reinstated. Principal and the Surety or Sureties further agree that if at the time of an incident, release, or threatened release a covered vessel is a tank vessel or is carrying a hazardous substance as cargo, the penal sum of this surety bond guaranty automatically increases, if necessary, to the total applicable amount appropriate for such vessel as determined in accordance with the Applicable Amount Table below. In no case, however, shall the penal sum be increased to an amount greater than the total applicable amount.

The penal sum is not further conditioned or dependent in any way upon any contract, agreement or understanding between the Principal and Surety. If the Principal is responsible for more than one vessel covered by this guaranty, then the penal sum is the total applicable amount for the vessel having the greatest liability under the Acts.

The liability of the Surety as guarantor under OPA or CERCLA, or both, shall not be discharged by any payment or succession of payments hereunder, unless and until such payment or payments amount in the aggregate to the penal sum of this bond guaranty.

Any claim, including any claim by right of subrogation, against the Principal for costs and damages arising under either section 1002 of OPA 90, as limited by section 1004(a), or section 107(a)(1) of CERCLA, as limited by sections 107(c)(1)(A) and (B), or both, may be brought directly against the Surety, and the Surety consents to suit with respect to these claims. However, in any direct action under OPA 90 the Surety's liability shall not exceed the amount determined under part I of the Applicable Amount Table below and, in any direct action under CERCLA the Surety's liability shall not exceed the amount determined under part II of the Applicable Amount Table below. The Surety's obligation hereunder with respect to any one incident or release or threatened release shall be reduced by all payments or succession of payments for costs and damages, to one or more claimants, made by or on behalf of the Principal under OPA 90 or CERCLA or both, as applicable, for which the Principal is liable. In the event of a direct claim, the Surety may invoke only the following rights and defenses:

- (1) The incident, release, or threatened release was caused by the willful misconduct of the Principal.

(2) Any defense that the Principal may raise under the Acts.

(3) A defense relating to the amount of a claim or claims, filed in any action in any court or other proceeding, that exceeds the amount of this guaranty with respect to an incident or with respect to a release or threatened release.

(4) A defense relating to the amount of a claim or claims that exceeds the amount of this guaranty, which amount is based on the gross tonnage of the vessel as entered on the vessel's International Tonnage Certificate or other official, applicable certificate of measurement, except where the surety knew or should have known that the applicable tonnage certificate was incorrect.

(5) The claim is not one made under either of the Acts.

This bond is effective the _____ day of _____, 12:01 a.m., standard time at the address of the Surety first named herein, and shall continue in force until discharged or terminated as herein provided. The above named Vessel Operator or the Surety may at any time terminate this bond guaranty by written notice sent by certified mail, registered mail, overnight delivery, or other comparable service to the other party, with a copy (showing that the original notice was sent to the other party by certified mail, registered mail, overnight delivery, or other comparable service) to the Center. The termination is effective thirty (30) days after the Center receives the written notice of termination. The Surety shall not be liable hereunder in connection with an incident, release, or threatened release occurring after the termination of this bond guaranty as herein provided, but the termination shall not affect the liability of the Surety in connection with an incident, release, or threatened release occurring prior to the date the termination becomes effective. Nor shall the Surety be liable hereunder in connection with a non-covered vessel, which is a vessel specifically named in other evidence of financial responsibility, which is applicable to that vessel on behalf of the above named Vessel Operator, and which is accepted by and on file with the Center during an incident, release, or threatened release giving rise to a claim against the Surety or Principal.

FINANCIAL GUARANTY FURNISHED AS EVIDENCE OF FINANCIAL
RESPONSIBILITY UNDER THE OIL POLLUTION ACT OF 1990 AND THE
COMPREHENSIVE ENVIRONMENTAL RESPONSE, COMPENSATION,
AND LIABILITY ACT, AS AMENDED

1. _____,

(Name of Vessel Operator)

the operator of each vessel named in the annexed schedules ("covered vessel"), desires to establish evidence of financial responsibility for the owner, operator, and demise charterer (referred to collectively as "Operator") of each covered vessel in accordance with the Oil Pollution Act of 1990 ("OPA 90") and the Comprehensive Environmental Response, Compensation, and Liability Act, as amended ("CERCLA") (referred to collectively as the "Acts"). The undersigned Financial Guarantor or Guarantors ("Guarantor") hereby guarantees, subject to the provisions hereof, to discharge the Operator's liability with respect to each covered vessel for costs and damages under section 1002 of OPA 90, as limited by section 1004(a), or section 107(a)(1) of CERCLA, as limited by sections 107(c)(1)(B) and (A), or both, in an amount equal to the total applicable amount determined in accordance with the Applicable Amount Table below. The Operator and the Guarantor agree that if at the time of an incident, release, or threatened release a covered vessel is a tank vessel or is carrying a hazardous substance as cargo, the limit of liability of the Guarantor hereunder shall be the total applicable amount appropriate for such a vessel determined in accordance with the Applicable Amount Table below. The amount and scope of the Guarantor's liability are not further conditioned or dependent in any way upon any contract, agreement, or understanding between the Operator and the Guarantor. The Guarantor shall furnish written notice to the Director, Coast Guard National Pollution Funds Center ("Center"), of all judgments rendered and payments made by the Guarantor under this Financial Guaranty.

2. Any claim, including any claim by right of subrogation, against the Operator for costs and damages arising under either section 1002 of OPA 90 as limited by section 1004(a), or section 107(a)(1) of CERCLA as limited by sections 107(c)(1)(A) and (B), or both, may be brought directly against the Guarantor and the Guarantor consents to suit with respect to these claims. However, in any direct action under OPA 90 the Guarantor's liability per vessel per incident shall not exceed the amount determined under part I of the Applicable Amount Table below and, in any direct action under CERCLA the Guarantor's liability per vessel per release or threatened release shall not exceed the amount determined under part II of the Applicable Amount Table below. The Guarantor shall be entitled to invoke only the

amount determined under part II of the Applicable Amount Table below. The Guarantor's obligation hereunder with respect to any one incident or release or threatened release shall be reduced by all payments or succession of payments for costs and damages, to one or more claimants, made by or on behalf of the Operator under OPA 90 or CERCLA or both, as applicable, for which the Operator is liable. The Guarantor shall be entitled to invoke only the following rights and defenses in any direct action:

(1) The incident, release, or threatened release was caused by the willful misconduct of the Operator.

(2) Any defense that the Operator may raise under the Acts.

(3) A defense relating to the amount of a claim or claims, filed in any action in any court or other proceeding, that exceeds the amount of this Guaranty with respect to an incident or with respect to a release or threatened release.

(4) A defense relating to the amount of a claim or claims that exceeds the amount of this Guaranty, which amount is based on the gross tonnage of the covered vessel as entered on the Vessel's International Tonnage Certificate or other official, applicable certificate of measurement, except where the guarantor knew or should have known that the applicable certificate was incorrect.

(5) The claim is not one made under either of the Acts.

3. The Guarantor's liability under this Guaranty shall attach only in relation to each incident, release, or threatened release occurring on or after the effective date and before the termination date of this Guaranty. The effective date of this Guaranty for each covered vessel listed below is the date the vessel is named in or added to the schedules below. For each covered vessel, the termination date of the Guaranty is 30 days after the date of receipt by the Center of written notice that the Guarantor has elected to terminate this Guaranty, with respect to any of the covered vessels, and has so notified the vessel Operator identified above on the schedule below. Termination of this Guaranty as to any vessel does not affect the liability of the Guarantor in connection with an incident, release, or threatened release occurring prior to the date the termination becomes effective.

4. If, during the currency of this Guaranty, the Operator requests that a vessel become subject to this Guaranty, and if the Guarantor accedes to that request and so notifies the Center in writing, then that vessel shall be considered included in Schedule B as a covered vessel and subject to this Guaranty.
